AFFIDAVIT

I, Paul C.C.Chen, am the Patent Attorney of Louis International Patent Office, having a business address of 6F, No. 80, Bo-Ai Road, Taipei 100, Taiwan, R.O.C. Our firm represents Wen-Shyong Liao, inventor of U.S. Application No. 09/812,326, entitled "Supporting Device of Rotor," which has a filing date of March 20, 2001.

We entrusted responsibility for the aforementioned U.S. patent application to Mr. Ezra Sutton of Ezra Sutton, P.A., having a business address of Plaza 9, 900 Route 9, Suite 201, Woodbridge, NJ 07095. Mr. Sutton informed us on August 14, 2002 that an Amendment was filed in response to the February 5, 2002 Office Action. Since that time, we have not received any reports or materials from Ezra Sutton, P.A.

On December 13, 2004, we checked the status of this application in the U.S. Patent and Trademark Office's public Patent Application Information Retrieval (PAIR) system, and discovered that the application had become abandoned for failure to respond to a Final Office Action mailed on September 11, 2002. We did not receive either the Final Office Action or the Notice of Abandonment from Ezra Sutton, P.A.

We therefore repeatedly attempted to contact Ezra Sutton, P.A. regarding the abandonment status of the application, but did not receive any response.

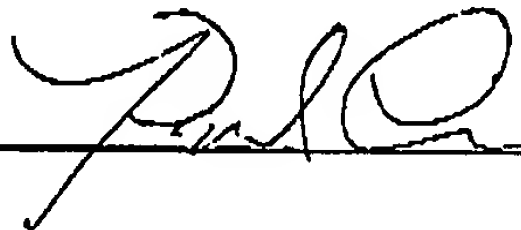

In view of the lack of response received from Ezra Sutton, P.A., we transferred responsibility for this application to Birch, Stewart, Kolasch & Birch, LLP on February 3, 2005. An appropriate Revocation of Power of Attorney, Substitute Power of Attorney, and Change in Correspondence Address was signed by Wen-Shyong Liao to be submitted to the U.S. Patent and Trademark Office.

Because Ezra Sutton, P.A. did not provide our office with a copy of the Final Office Action or provide us with any indication that such a Final Office Action had been issued, our accessing of PAIR on December 13, 2004 letter was, in fact, the first indication we had received that a Final Office Action had been issued. We were therefore also unaware that the application had been abandoned.

Accordingly, I believe the abandonment of the present application was unintentional, as we were unaware that the Final Office Action had been mailed.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
